

YEAR 12 GRADUATES FEE-FREE TRAINING

OVERVIEW

To support Queensland's Year 12 graduates to successfully transition to employment, the government is offering fee-free training in high priority qualifications identified by the Queensland Government and industry groups. This means eligible participants will not be required to contribute to the cost of their training.

Australian Academy, based in Southport QLD, is a registered Government education service provider offering a range of Certificate III level vocational education and training (VET) courses to provide training in skills identified as most needed by employers and industry.

WHY PARTICIPATE?

Fee-free training gives Year 12 graduates a head start on their careers by allowing them to complete a high priority qualification through an apprenticeship, traineeship or selected VET course without the financial burden of student contribution fees.

ELIGIBILITY

To be eligible to access fee-free training, you must:

- have completed Year 12 in Queensland and hold a Senior Statement issued by the Queensland Curriculum and Assessment Authority or equivalent certificate that confirms you have completed Year 12 in Queensland
- enrol and start training with an approved training provider by the end of the calendar year following the completion of Year 12
- live permanently in Queensland

AVAILABLE TRAINING

Fee-free training only applies to apprenticeships and traineeships or certificate III level qualifications identified as high priority by the Queensland Government. High priority qualifications will develop the skills most needed by employers and the Queensland economy, and are based on skill demand, advice from industry, and whether the qualification will lead to employment.
