FIRST AID TRAINING

HLTAID011 Provide First Aid (Health Industry)

COURSE OVERVIEW

Did you know that heart attacks are the leading causes of hospitalisation and death in Australia, claiming on average 21 lives every day?*

Do you know CPR and First Aid?

Australian Academy (AA) is offering this nationally accredited course which provides you skills and knowledge required to provide a first aid response to a casualty. Training will be delivered by AA's qualified and experienced trainers and can be conducted onsite at your location (conditions apply).

COURSE INCLUSIONS

- CPR
- Emergency scenarios
- Asthma and Anaphylaxis
- Training in small friendly groups
- Statement of Attainment (First Aid Certificate)

PRACTICAL SESSION

2 Hour CPR Practical

3.5 Hour First Aid Practical

Please note: A hard copy certificate incurs an additional charge of \$20.00 incl. GST (includes postage) and requires 7-10 business days to be delivered.
